We Do More than Prepare Our Students for Yeshiva and College, We Prepare Them for Life.

Goldie Margolin High School for Girls

a division of Feinstone Yeshiva of the South in Memphis, Tennessee

GMHSG provides its students a superior Torah and general studies education integrating academic excellence with a pursuit of spiritual growth and character development. Our graduates attend the finest seminaries and universities and succeed professionally in many fields. Historically, nearly 100% of our students spend at least one post high school year of study in Israel. We are also proud of our:

- College & seminary preparatory curriculum
- Highly skilled and devoted faculty
- Low student/teacher ratio
- Bat Ami counselors
- Advanced Placement Courses
- College Guidance
- Beautiful 7-acre campus
- Spacious Beit Midrasha
- Attractive dorm facility
- Community service opportunities
- Extra-curricular activities
- Award-winning basketball teams

“On behalf of all the “refugees” from Hurricane Ivan that fled New Orleans and ended up in Memphis for Rosh Hashanah, todah rabah! ...The Memphis community welcomed us with kindness and warmth. We are so glad that our daughter, Tovah, gets to be a part of this wonderful community as a dormer in the 9th grade. Apart from receiving a very strong academic education, she gets to broaden her horizons with extra-curricular activities, such as the play and the chesed program. She loves it there and now we know why.”

Janice and Frank Silbermann, New Orleans

In 1949 we made a commitment to instill in our children an appreciation for Torah study, academic excellence, community service and the State of Israel.

56 Years Later We are Even More Committed.
